Is there any other medical information it would be valuable for us to have or for a physician to have that you can give us in the event of a medical emergency?

Yukon Wide Adventures has collected the above information to assist us in helping guests in the event of a medical emergency. The information will be kept confidential between the guest, guide, and management of Yukon Wide Adventures. Our guests are well-advised to purchase medical insurance coverage for travellers including rescue or extrication coverage, since wilderness travel has inherent risks of accident, illness, and unexpected events. Yukon Wide Adventures are ultimately not liable for any accident, illness or death as a result of a guest participating in planned activities under the leadership of Yukon Wide Adventures guides.
